

12 kW Stationary Standby Electric Generator

Product style and configuration may vary.

Thoroughly read the OPERATOR'S MANUAL before operating the generator. Safe operation and top performance can be obtained only when equipment is operated and maintained properly.

 **DANGER** 

Deadly exhaust fumes!

This generator is designed to be installed outside only!

NOTES

**CONTACT THE POWERMATE PRODUCT SERVICE DEPARTMENT AT
1-800-445-1805**

to obtain warranty service information or to order replacement parts or accessories.

HOW TO ORDER REPLACEMENT PARTS

Even quality built equipment such as the Powermate standby generator you have purchased, might need occasional replacement parts to maintain it in good condition over the years. To order replacement parts, please give the following information:

1. Model No. and Serial No. and all specifications shown on the Model No./Serial No. plate.
2. A brief description of the trouble with the generator.

**Powermate Corporation
4970 Airport Road
P. O. Box 6001
Kearney, NE 68848
1-800-445-1805
1-308-237-2181
Fax 1-308-234-4187**
